Strategic Plan

Department of Health & Human Services

Mission

The Dare County Department of Health & Human Services is committed to meeting the evolving health and social needs of our community.

Vision

The Dare County Department of Health & Human Services provides ideal accessibility to programs and services in an efficient and effective manner, ensuring optimal outcomes for those we serve.

Values

Efficiencies • Effectiveness • Accessibility • Quality

The Four Pillars & Our Goals

People & Processes

Maintain a highly competent health and human services workforce that includes required and necessary training to meet job and/or licensure expectations.

Technology

Capitalize on opportunities to improve automation and the use of updated technology.

Facilities

Assess, improve and maintain facilities to best serve patients and clients.

Programs & Services

Maximize health and human services efforts to improve comprehensive service delivery for clients and patients.

Our SWOC Analysis

Community Health Assessment Priorities

The 2021 Community Health Assessment process identified the following as areas of opportunity for Dare County:

- Substance Abuse
- Mental Health
- Access to Care

These areas remain top of mind for our department. We consider these priorities in addition to other pertinent health status data and/or information when determining goals, objectives and potential projects.
